## The Vault Markets App

Vault Markets has a mobile app to ensure that you can perform all functions on the go. Our mobile app allows you to perform functions from the convenience of your mobile phone. We understand that as traders you are constantly on the go and our mobile app allows you to perform functions such as deposits, withdrawals, the opening of new accounts, internal transfers and checking your history all INSTANTANEOUSLY thereby making your trading experience that much better!

Enjoy on-the-go Trading benefits with the Vault app.

## Downloadable eBooks

At Vault Markets, believe that knowledge is power. That is why we have created a library of eBooks that our clients can download for free and learn a thing or two to boost their trading game.

## The Trading Vault

At Vault, we go beyond the Trade to ensure that you can make well-informed investment decisions. You may have a good understanding of the Forex space already or you may still be learning, either way, we are invested in upskilling Africans in the Trading industry.

Alongside our library of eBooks, we have also launched a Podcast. The Trading Vault hosts a range of national and international guests in the Trading space.
