These Terms and Conditions ("Terms") govern the use of the No Stop Out Account ("Account") offered by Karibu FX Financial Consultant Services (Pty) Ltd.

The promotion is facilitated by Vault Markets, a product of 1st Fintech Capital (Pty) Ltd, an authorized financial services provider, licensed and regulated by the Financial Sector Conduct Authority (FSCA) in South Africa, with FSP No. 51478.

By creating and accessing the No Stop Out Account, the client agrees to abide by these Terms. These Terms are applicable only for the promotional period from 23 November 2023 to 25 November 2023.

1. Account Duration:

The No Stop Out Account is a promotional account available for a limited period from 23 November 2023 to 25 November 2023. Upon creation, clients will have access to the account for a minimum of three months. The company reserves the right to extend this period at its discretion.

2. Account Features:

The No Stop Out Account allows clients to utilize the entire available balance without the risk of trades being stopped out due to the margin falling below the stop-out percentage.

3. Risk Acknowledgment:

The client acknowledges and accepts that the No Stop Out Account involves significantly higher risk compared to an account with a stop-out percentage enabled. The absence of a stop-out mechanism increases the potential for higher losses, and clients should exercise caution and diligence in their trading activities.
